

Leader Guide – Weekly Gathering

Christmas Focus • December 17 • by Jeff Retter

This week we want to encourage your group to do something a bit different. Since this is the week before Christmas, “worship stations” have been set up at the NFC building that are open daily from 11 a.m. to 1 p.m. and 6 to 8 p.m.

We encourage you to gather with your group at NFC and take time to experience these worship opportunities. Most groups will be able to meet at their normal times for this. If you want a room at the church to gather in before or after using the stations, ask Steve to arrange it. You may want to all do the same stations or give people the freedom to do what seems right for them.

After this you may want to gather and debrief. Some questions you might use:

- Did you find it easy or difficult to stop and pray? What might this indicate?
- What was it like worshiping God in this way?
- What did you notice as you entered into this experience?
- What did Christ seem to say to you as you prayed and were quiet?
- Are there ways we can be praying for each other as we head into the Christmas weekend?

Celebrate the life of Christ among you!
